The Mega HR Conclave 2019

Rungta College of Engineering and Technology, Raipur organized the event Influence of Automation in Recruitment – The Future of Fresher Hiring, The Mega HR Conclave 2018 on April 26, 2018. The Conclave was the organized to discuss critical HR issue between industry professionals, academic experts and students. The themes for discussion were as follows:-

- (i) Investing in talent
- (ii) Autonomy to employees

The industry experts from following organization were invited:-

1) Mr.Rajasekar Selvanayagam, HR Business Partner, Renault Nissan Automotive India Private Limited

Renault Nissan Automotive India Private Limited manufacturing plant is located at Oragadam near Chennai. The plant has a capacity of 400,000 vehicles per annum. The capacity is divided equally between Renault India Private Limited and Nissan Motor India Private Limited. RNAIPL is one of the most profitable companies which adopt Japanese manufacturing policy of GENBA KANRI. The Company works on the style of maximum productivity with minimum resources.Mr.Rajesekar is HR Business Partner with 15+ of experience in Strategic HRM, Talent Acquisition, Talent Management, Learning & Development, Performance Management, Employee Engagement, IMPAT& Expat Relations, CFT Leader, Diversity, HR Operations & compliance.

2) Mr.Arvind Boradkar, Divisional Manager and HR Head, Ashok Leyland

Ashok Leyland is an Indian automobile company headquartered in Chennai, India and is owned by the Hinduja Group. Founded in 1948, it is the 2nd largest commercial vehicle manufacturer in India, 4th largest manufacturer of buses in the world and 12th largest manufacturer of trucks globally. Ashok Leyland has nine operating plants. It also makes spare parts and engines for industrial and marine applications. Currently Mr.Arvind is heading the HR department including IR activities and also liasioning with Govt. officials, image building of organization etc.

3) Mr. Vijayakumar Arumugam, HR Head, KONE Elevators

KONE's Presence in India dates back to 1984, when it formed a joint venture called Beacon KONE with Best & Crompton Engineering Ltd., a large and diversified company based in Chennai, Tamil Nadu. Beacon KONE opened a factory in 1987 near Chennai. In 1992 KONE purchased Best & Crompton's interest in Beacon KONE, and KONE India became a 100% subsidiary of KONE Corporation. Headquartered in Chennai, KONE India has 4300+ employees with regional offices in four major cities and 40 branches across India & Nepah KONE India has caters to the markets of Bangladesh, Srilanka & Bhutan through authorized distributor models. As a global leader in the elevator and escalator industry, KONE provides elevators,

PRINCIPAL Rungta College of Engg. & Tech. escalators and automatic building doors, as well as solutions for maintenance and modernization, which add value to the life cycle of any building.

4) Mr. IVS Ranganath, HR Head, Signode India Limited

Signode India Limited is a Company of Signode Industrial Group, USA, a global leader in the industrial bulk packaging industry with a heritage that goes back more than 100 years. Signode Industrial Group is a leading global manufacturer of strap, stretch, and protective packaging consumables, tools and equipment. The company's products protect goods during manufacturing, transport and warehousing. We produce strap, stretch and protective packaging. We also manufacture packaging tools and equipment that are used to apply the bulk packaging materials. These packaging products are used to contain, unitize, protect and secure goods during warehousing and shipment. Our company is a pioneer in the industrial packaging sector with a long history of customer-focused innovations in materials, processes and automation technology that have revolutionized the sector.

The first session started at 11:00 am in which the above invited Speakers shared their insights on various topics consisting of future of HR Functions and Analytics Social Media and HR, Emerging HR practice for Sustainable Development and HR beyond boundaries. It was a healthy discussion on role of Analytics and Robotic in future trends of HR, Mr. Arumugam raised issue of connecting organizational values with sustainable development perspective in modern organization where we can bring responsibility to save our environment. Mr. Rajasekar, appealed to bring futuristic perspective in HR strategies of organizations. The session was concluded with the concessions on evolution of HR over the time and going beyond the boundaries in near future.

After the lunch break, the second session began with Mr Arvind Boradkar, Sharing his insights on Employer- Employee relationship perspective in today's dynamic market conditions. The discussion during the session was a good mix of topics that are faced while recruiting from the workforce comprised majorly of the millennial. The Mega HR Conclave 2019 was concluded with a vote of thanks and felicitation of the guests with momento as a token of gratitude.

A

Report on

"TEDx" was organized at RCET

Progress is impossible without an idea and those who believe in exploring their ideas can only go **Against Impossible**. In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks

videos and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized

At Reet various speakers like Dr. Jawahar Surisetti a well known academician, Mr. Shashi Chaudhary well known Tech Person.,Mr. Anurag Basu Film director, Major Dr. Surendra PooniaVSM, Mrs. Phoolbasan Bai Yadav a social worker and Mrs. Anupama Bhagwat a sitar maestro grace the event with there experiences and struggles to go Against Impossible. Overall 125 participatns participated in the event .The event was oraganised under the guidance of Dr.Manoj Varghese ,Dean .

place. It is not necessary to become a successful person you have to repeat the same idea that

was implemented by successful persons. Choosing the career options should be based on future need of the society". In his address, Bollywood Director, Anurag Basu pointed that the only obstacle, which stops us while taking any step towards our dream is fear. "To make your dreams come true you have to eliminate fear from your mind and stop thinking about the negative aspects. Everyone likes only those movies, which has better first half and I am lucky enough that the first half of my life was in Bhilai.

The surrounding of Bhilai is enriched with culture, which is essential to groom any talent", added Director, Basu.

While giving several useful tips to the youths about how to get success during startups, Entrepreneur, Shashikant Entrepreneur, Shashikant Chaudhary pointed that the world around you only be impressed by your extraordinary performance. if you are not applying the skills and ability that you have earned that you could not achieve suc-cess any in life. If you are not applying your ability one day it will become outdated. Thinking about dreams but not initiating any measures towards achieving dream would become as a great regret for rest of your life", added Entrepreneur, Chaudhary. Other speakers including Physician and former SFO of Indian Army Major Dr Surendra Poonia VSM, Social Worker Padma Shri Phool Basan Bai Yadav, and Anupama Bhagwat, Sitar Musician have also expressed their views on the topic "Against Impossible".

The Future of Technical Education- The Way Ahead in the Present Scenario The Mega HR Conclave 2017

Rungta College of Engineering and Technology, Raipur concluded Mega HR Conclave at Santosh Rungta education campus on 18th Feb, 2017. The topic of the conclave was, "The future of Technical Education-the way ahead in the present scenario." In the conclave the HR heads of renowned companies like Wipro, Magna Closures, TCS, and Renault Nissan shared tips for successful career with the students. The event brought together eminent HR professionals on a common platform.

The industry experts from following organization were invited:-

1) Mr.Rajasekar Selvanayagam, HR Business Partner, Renault Nissan Automotive India Private Limited

Renault Nissan Automotive India Private Limited manufacturing plant is located at Oragadam near Chennai. The plant has a capacity of 400,000 vehicles per annum. The capacity is divided equally between Renault India Private Limited and Nissan Motor India Private Limited. RNAIPL is one of the most profitable companies which adopt Japanese manufacturing policy of GENBA KANRI. The Company works on the style of maximum productivity with minimum resources.Mr.Rajesekar is HR Business Partner with 15+ of experience in Strategic HRM, Talent Acquisition, Talent Management, Learning & Development, Performance Management, Employee Engagement, IMPAT& Expat Relations, CFT Leader, Diversity, HR Operations & compliance.

2) Ms. Rani Sakthi, Senior Manager and Group HR, Wipro

Wipro is an Indian Information Technology Services corporation headquartered in Bangalore, India. Wipro India Business, a part of Wipro Limited is a leading global end to end IT transformation, consulting and business process services provider and a pioneer in Indian Market with decades of experience. Wipro India has operational facilities in cities across India.

3) Mr. Ratan Chopra, TAG Head, TCS

ERTIFIE

Tata Consultancy Services Limited(TCS) is an Indian multinational information technology(IT) service, consulting and business solutions company headquartered in Mumbai, Maharashtra. It is a subsidiary of the Tata Group and operates in 46 countries. It is the world's 9th largest IT services provider by revenue. TCS is one of the largest Indian companies by market capitalization and is placed among the most valuable IT services brands worldwide. TCS alone generates 70% dividends of its parent company, Tata Sons. Recently TCS became the first Indian IT company to breach \$100 billion market capitalization, and second Indian company

PRINCIPAL
Rungta College of Engg. & Tech.
Kohka Kurud Road, Kurud

4) Mr. Louis Babu, Country Head HR, Magna Closures

Magna Closures is one of the world's leading suppliers of innovative closures, sealing, trim, engineered glass, and module systems to the global automotive industry. Manufacturing divisions and engineering facilities are located globally across North America, South America, Europe and Asia. Magna Closures are a leading global automotive supplier with 340 manufacturing operations and 93 product development, engineering and sales centers in 28 countries. They have over 172,000 employees focused on delivering superior value to our customers through innovative processes and World Class Manufacturing.

5) Mr. Sankar, Senior Manager HR, BSH

BSH is one of the world's leading companies in the sector and the largest home appliance manufacturer in Europe. To be the first choice for consumers' worldwide drives the company and its employees.BSH aspires to improve the quality of life for people with its exceptional brands, high-class products and superior solutions.BSH produces the entire range of modern home appliances at 43 factories worldwide. The product portfolio ranges from cookers ,ovens and extractor hoods, dishwaters, washers and dryers, fridges and freezers to small appliances such as vaccum cleaners ,coffee machines or food processors.

6) Mr. Rathinavel Rajan, Head HR, Ball

Ball Corporation is a provider of metal packaging for beverages, foods and household products, and of aerospace and other technologies and services to commercial and governmental customers. Founded in 1880, the company employs 18,300 people worldwide. In 2010 Ball acquired Neuman Aluminum, the leading North American manufacturer of aluminum slugs used to make extruded aerosol cans, beverage bottles, aluminum collapsible tubes, and technical impact extrusions; and Aerocan S.A.S., a leading supplier of aluminum aerosol cans and bottles in Europe. Ball has become the largest supplier of aluminum slugs in the world.

The event commenced with lighting of lamp and the first session started at 10:30 am in which the above invited Speakers shared their views on how to bridge the gap between academics and industry requirement. Interactive lectures were delivered via power-point presentations on Higher technical education in India: prospects, challenges and the way forward. The eminent speakers also stressed on how there is a need for the teachers to get innovative and that innovation to be taught as a knowledge area for every student in future as Industry does not require memory-based rote learning system but students with mastery over learning processes, learning attitude and employable skills. In the interactive session with students speakers appealed that Internship education and training should be made compulsory for every college student irrespective of the stream. They also stated idea of entrepreneurship and self-employment should be encouraged among college students.

After the lunch break, the second session began with a panel discussion where they discussed on the topic-"Influence of Automation and the TRUMP Effect in Campus Hiring". They concluded that employees have to upgrade their skills to battle the impact of automation as automation will impact the jobs considerably in India. However, developing people-centric skills and upgrading/reskilling for new roles could help employees tide over the automation wave.

The Mega HR Conclave 2017 was concluded with a vote of thanks and felicitation of the guests with momento as a token of gratitude.

THE NECESSITY OF REVAMP IN PROFESSIONAL EDUCATION – THE NEED OF THE HOUR?"

The Mega HR Conclave 2016

"The necessity of revamp in professional education – The need of the hour?" was the theme for the HR Conclave organized by Santosh Rungta Group of Institutions on 9th January 2016 at its Raipur campus. The Conclave witnessed the participation and ideation by a plethora of HR professionals and industry experts. The Conclave aimed at bridging the gap between the corporate and academics and provided a common platform where exchange of knowledge and insights was facilitated. Among the corporate personnel present at the Conclave organized under the quality improvement programme were Mr. Vinay Shetty, Director Cappemini, Mr. Stanley George, VP and Head HR (South India), Hexaware Technologies, Mr. Ranabir Chakraborty, HR India Head, Fortum, Mr. Avinash Parhi, Director, Shopclues, Mr. Anoop Kesiraju, Lead HR, Technovert and Mr. Paritosh Bakshi, Manager HR, Innoeye Technologies.

The function began with the ceremonial lamp lighting and "Sarawati Vandana". Shri Santosh Rungta, Chairman, Santosh Rungta Group of Institutions, Dr. Saurabh Rungta, Director (Technical), Santosh Rungta Group of Institutions welcomed the esteemed guests. The welcome address was delivered by Dr. Harpal Theti, Dean (Industry Institute Interaction) who emphasized the need of the summit and motivated students to avail the opportunity of interaction with leading HR professionals. The presidential address was delivered by Shri Santosh Rungta, Chairman, Santosh Rungta Group of Institutions. He encouraged the students to aim high and laid emphasis on the need of planning and acquiring new skills to achieve their goals. He added that the vision of the group is to get all students placed in leading organizations.

The eminent senior professionals from the industry shared their experiences on the rapidly changing nature of Human Resources domain. In the first half of the conclave four sessions were scheduled. The first keynote address was given by Mr. Paritosh Bakshi, Manager HR, Innoeye Technologies. He said that students shouls not be casual in their approach. He added that a recruiter judges a student not only technically but his overall approach towards a problem is analysed. Students should work harder to evaluate all possibilities and oppurtunities. Mr. Ranabir Makraborty, HR India Head, Fortum narrated the diversity in today's education paradigm. Self

prooming, multitasking, and a passion for learning are important, he added. Mr. Avinash Parhi, Director, Shopchues laid emphasis on learning and acquiring new skills. He said that students should work hard on live projects and should spare time on learning new languages and technologies. Learning should be conceptual and "why-what-how" of atopic should be well understood. The overall learning pedagogy should be remodeled. Mr. Anoop Kesiraju, Lead HR, Technovert told the students to acquire the ability of expressing their views and opinions. They should have a clear picture as to why a company should hire them as professionals. He added that organizations invest in training the newly recruited professionals so that they acquire the ability to add to the profits of the organization. Post Lunch the students witnessed the key note addresses by Mr. Stanley George, VP, Hexaware and Mr. Vinay Shetty, Director, Cappemini. Mr. Stanley George said that an engineering graduate should learn how to apply knowledge at workplace. Commitment and trust in self is the key to success, he added. It is important to highlights one's strengths and forget one's weaknesses. Mr. Vinay Shetty said that attitude and communication skills are important. Students should analyse the changing trends of business and work on relevant live projects to match the expectations of the industry.

The programme concluded with an interactive question-answer sessions between the students and the senior HR professionals. The guests were felicitated with mementoes by Shri Santosh Rungta, Chairman, Santosh Rungta Group of Institutions. The programme also witnessed the presence of Dr. B.V.Patil, Principal, RCET, Raipur, Dr. Pankaj Kumar, Principal, REC, Raipur, Dr. Y.M.Gupta, Principal KDRSCT, Raipur, Deans and Heads of various departments, Faculty members and students. The vote of thanks was proposed by Dr. Pankaj Kumar, Principal, REC, Raipur who expressed gratitude towards Shri Santosh Rungta, Chairman, Santosh Rungta Group of Institutions, Dr. Saurabh Rungta, Director (Technical), Santosh Rungta Group of Institutions, Shri Sonal Rungta, Director (F&A), Santosh Rungta Group of Institutions for providing this opportunity to students. He thanked the leading HR professionals for their benign presence. He added that it was the programme was a grand success dur to the combined effort of Deans, Heads of various departments, faculty members, support staff and students.
